A NOTE ABOUT SPECIALTY CAMPS

Hidden Acres has two types of summer camps: Residential and Specialty. The rest of the camps in this book are Specialty Camps. They have a focus, such as airsoft or horses, that takes up 2-3 hours of their mornings, Monday to Thursday. The rest of the time, there will be plenty of opportunities for good old camp fun like swimming, all-camp games, and the tower. So don't worry - your camper won't be missing out on classic camp activities if they attend a Specialty Camp at Hidden Acres.

WILDERNESS CAMP

Duration: Five days ***Grades: 4th-6th, boys only***

Would your son love to spend a week in the wilderness? He'll stay at our wilderness outpost in a stilted cabin and learn basic outdoor skills like starting a fire, cooking over the fire, orienteering, canoeing/kayaking, shooting safety, and survival techniques. His counselors will encourage spiritual growth with chapel time and cabin devotions, and campers will experience God as nature cries out His praise! Weather permitting, the boys will finish the week with an overnight kayak & canoe camping trip.

If your son likes to be outdoors in God's creation and has a sincere interest in the wilderness, this camp would be a great option for him.

ADVANCED WILDERNESS CAMP

Duration: Five days ***Grades: 7th-8th, boys only***

Advanced Wilderness is a specialty camp for young men who love being in God's beautiful creation. At the beginning of the week, each camper will be issued a personal tent as well as a waterproof day pack. GPS will be used to find supplies, tools, and the day's campsite location. Each day, campers will learn and practice survival skills to aid them in their outdoor living environment. Most meals will be cooked over the fire. Campers will finish the week with an overnight canoe or kayak trip down the Boone River, weather permitting. Our goal is for campers to gain a greater passion for the outdoors and pick up useful skills for the future. Don't miss this opportunity - sign your boys up now as space is limited!
