FunFangle

A web-based virtual canteen card

Set up an online account with FunFangle when you receive their invitation email from support@funfangle.com in late May. Deposit spending money for your camper **no later than the Wednesday prior to the start of camp.** We'll give your camper a wristband on Monday morning that they will swipe whenever they want to purchase something. They can use it at the Snack Shop, Camp Store or for crafts.

Camper Phone Calls

Unless there is an emergency, campers will not be able to receive or make any phone calls. **Please do not send cell phones with your campers.**

MEDICAL/HEALTH INFORMATION

Licensed medical personnel are on duty 24 hours a day during summer camp. If your child becomes seriously ill or injured, you will be notified.

We will have basic over-the-counter medications available in the nurses' station. You do not need to bring them. We will need your permission to administer these by marking it on your child's registration form.

Prescription, over the counter medications, and essential oils must be in original containers when turned in to camp nurses at check in. Please do NOT send large bottles of vitamins and over the counter medication as we don't have room to store them. Please send smaller bottles when possible.

Please label liquid meds, nasal sprays, eye drops, or essential oils with your child's name if it is not already there from the Rx label. All meds will be given according to directions on bottles/boxes.

If parent directions and Rx bottle directions do not match, we will need a note or phone call from the physician before we can give the medications.

We have four med pass times - Breakfast, Lunch, Dinner, and Bedtime (approx. 8am, noon, 5pm, and 9pm).

If your child will be taking prescription, daily over the counter medications or oils, please bring a **CLEAN, EMPTY weekly pill organizer box** to camp with your child. These can be purchased online or at any drug store.

PLEASE DO NOT FILL pill boxes before coming to camp. **CAMP NURSES WILL FILL PILL BOXES.**

***If your child takes medication once per day, a 'one section per day' weekly organizer will suffice.**

***If your child takes medication twice per day, a 'two sections per day' weekly organizer will be required (typically these say MORN on one section & EVE on the other section).**

***If your child takes medication more than twice per day, we will require an organizer with '4 sections per day' (typically these will say MORN, NOON, EVE, & BED on them).**

Your child's counselor will return the pill organizer and medications to your camper's luggage bag on Friday just before pick up. Please check that you have everything (especially inhalers and Epi pens) before you leave camp. **Refrigerated meds will need to be picked up at the nurses' station.**
